

2026 HUST International Summer School Programs – Now Available for Your Students at Uniroma1!

Greetings from Huazhong University of Science and Technology (HUST), Wuhan, China!

We are pleased to share our newly released 2026 HUST International Summer School Programs. As you previously expressed interest in our program offerings, I have included the comprehensive program list with detailed information below for your review:

Program Overview: <https://iso.hust.edu.cn/info/1194/4896.htm>

Based on my experience, I would like to recommend the following programs to your students, listed in chronological order:

Program 2: 2026 HUST International Summer School on Modern Photonics

Dates: June 1–14, 2026

Details: <https://iso.hust.edu.cn/info/1194/4879.htm>

Program 3: 2026 HUST International Summer School on Digital China

Dates: June 9–22, 2026

Details: <https://iso.hust.edu.cn/info/1194/4888.htm>

Program 4: 2026 HUST International Summer School on Sustainable Development of the Chinese Economy

Dates: June 10–24, 2026

Details: <https://iso.hust.edu.cn/info/1194/4886.htm>

Program 5: 2026 HUST International Summer School on Design and Manufacture of Bio-Inspired Intelligent Sensor

Dates: June 28–July 12, 2026

Details: <https://iso.hust.edu.cn/info/1194/4877.htm>

Program 7: 2026 Chinese Language + AI Robot Summer School

Dates: June 29–July 12, 2026

Details: <https://iso.hust.edu.cn/info/1194/4871.htm>

Program 8: 2026 HUST International Summer School on Novel Materials+

Dates: June 30–July 13, 2026

Details: <https://iso.hust.edu.cn/info/1194/4873.htm>

Program 11: 2026 HUST International Summer School on Marine Robot

Dates: August 15–28, 2026

Details: <https://iso.hust.edu.cn/info/1194/4875.htm>

To better support your students in their planning, we would greatly appreciate if you could share the above program links on your faculty website or circulate them to your students through internal email contacts. Additionally, we would be happy to organize online information sessions if needed. Our team at HUST would be delighted to present program details and answer any questions your students may have.

Thank you for your time and consideration. We look forward to the possibility of welcoming your students to HUST next summer!
